

## Policy

ORG-HSE-POL-01

At Origin, we value the wellbeing of our employees, contractors, customers, the communities in which we operate and the environment. We are committed to responsible management practices that minimise any adverse health, safety or environmental impacts, and enhance benefits associated with our activities, products or services.

We have in place a Health, Safety and Environment management system for our activities that drives continual improvement. The HSE Management System outlines accountabilities to implement this Policy and requires that we:

- Identify hazards and reduce risks to as low as reasonably practicable where there is potential to cause injury or illness to people, or to adversely impact the environment or the community
- Provide safe work places and systems of work, empower employees and contractors to address unsafe or hazardous situations and carry out their work in a manner that does not present a risk to themselves, others or the environment
- Support the recovery and rehabilitation of employees in the event of work related injury or illness
- Set objectives and targets which promote the efficient use of energy and resources, the minimisation of wastes and emissions and the prevention of pollution
- Comply with relevant HSE legal requirements and other commitments
- Require Contractors to manage HSE using standards and practices that accord with this Policy
- Regularly review and report HSE performance.

In implementing this Policy we will engage with our employees, contractors, suppliers, business partners, customers and Government and communicate expectations to all persons working with or on behalf of Origin.

### Accountabilities

The Board is responsible for establishing and overseeing the Company's commitment to manage HSE in accordance with this Policy and for monitoring the performance of the Company with respect to its implementation.
