**Open 6 days** Monday – Friday 8:30am to 5:30pm, Saturday 9am to 1pm

**Terms and conditions:** All savings are off Origin Shop retail price unless otherwise stated. On sale 06/09/2010 to 16/10/2010. All prices include GST. Installation and delivery charges may be applicable. Gasmart (Vic) Pty Ltd ABN 52 079 089 231. Origin Energy Retail Ltd ABN 22 078 868 425. **Solar panel systems** \*Origin1500 system includes a minimum 1.5kW inverter which is AS4777 accredited and a minimum 1500 watts of solar panels which are AS4777 accredited and compliant with IEC/EN61730 and IEC/EN61215 or IEC/EN61646. \*Offer only available to you if the solar system purchased is eligible for the solar credits scheme and you agree to assign the rights to the RECs to us. Price for a pitched roof, within 100km of Adelaide GPO or an installer location and in REC Zone 3. Additional meter changeover/installation fees as charged by your distribution company may apply. Price is for a standard installation – additional fees may apply for non-standard installations. Price current 1/09/2010 and subject to change without notice. For installation timeframes and for full terms and conditions of sale and installation ask us when you call. **Payment plan** <sup>^</sup>Payment plan requires an initial payment of 10% of the total cost, plus the remaining 90% of the total cost paid over 24 months via equal monthly instalments. After your up-front payment your first monthly payment will be a minimum 3 months from your date of purchase. Origin does not charge interest on this payment plan. As monthly payments are via credit card you may incur interest from your credit card provider. Full terms and conditions of sale and installation available on request. **Ducted evaporative cooling** \*\*Single storey house within 100km of Adelaide GPO. Price is subject to site inspection and can vary for non-standard installations. Price current 1/09/2010 and subject to change without notice. Full terms and conditions of sale and installation can be provided at the time of your enquiry. **Sharp Inverter Split System** \*Single storey house within 100kms of your capital city's GPO. Installation price is subject to site inspection and can vary for non-standard installations. Full terms and conditions of sale and installation available on request. Price current at 1/9/2010 and subject to change without notice. **Solar hot water** <sup>^</sup>Price for a pitched roof, replacing an external electric hot water system, within 100km of Adelaide GPO or an installer location. You agree to assign the rights to the RECs/VEECs to us. Price current 1/9/2010 and subject to change without notice. Customers will be advised of any additional charges prior to installation. Full terms and conditions of sale and installation can be provided at the time of your enquiry. \*Customer is responsible for applying to the Government for the \$1000 Federal Renewable Energy Bonus Scheme post-installation rebate. Rebate subject to eligibility requirements. Full terms and conditions of sale and installation can be provided at the time of your enquiry. **Multi-buy discount** <sup>†</sup>Offer limited to solar electricity, solar hot water and heating & cooling products. Offer excludes breakdown replacement hot water products. Not available with any other offer. Customer must purchase both products at the same time to receive 10% off both products.

On sale 6th September to 16th October. Call **13 14 27** or visit us at **100 Pirie St, Adelaide.**
