**Terms and conditions:** All prices include GST. Origin Energy Retail Ltd ABN 22 078 868 425. **Solar panel systems** \* Price for Origin100 system. Offer only available to you if the solar system purchased is eligible for the solar credits scheme and you agree to assign the rights to the STCs to us. Price for a pitched roof, within 100km of Adelaide's GPO or an installer location and in Installation Postcode Zone 3. Additional meter changeover/ installation fees as charged by your distribution company may apply. Price is for a standard installation – additional fees may apply for non-standard installations. Prices subject to any changes in the Solar Credits scheme. Price current 1/12/2011 and subject to change without notice. For installation timeframes and for full terms and conditions of sale and installation ask us when you call. <sup>∞</sup> Based on an STC price of \$30, a reduction in the Solar Credits Multiplier from 3 to 2 on July 1 2012, and a 1.5kW solar electricity system in Zone 3. #System savings based on a 4.5kW system exporting 50% of generation on a 16c/kWh feed-in tariff and current Domestic Light and Power – Tariff 110 which is 28.622c/kWh inc. GST. **Save \$400 limited to first 500 customers** †Offer limited to solar systems 2kW and larger and is limited to the first 500 customers in your state who purchase before 29/02/12. Savings off Origin's current retail price in Adelaide. **Our interest-free payment plan** ^Our payment plan requires an initial payment of approximately 5% of the total cost plus approximately 95% of the remaining total cost paid over 24 months via equal monthly instalments on your credit card. **Carrier Inverter Split System** >Price based on back to back install on a single storey house within 100kms of Adelaide's GPO. Installation price is subject to site inspection and can vary for non-standard installations. Full terms and conditions of sale and installation available on request. Price current at 01/12/2011 and subject to change without notice. **Save \$150 on Cooling products** † Offer applies to cooling purchases over \$2000 made in a single transaction between 16/01/12 and 29/02/12. Savings off Origin's current retail price in Adelaide. **Brivis Bonus Offer** ~ Applies to Brivis Evaporative Coolers purchased between 16/01/12 to 29/02/12. Extended warranty conditions apply, customer must submit Product Warranty Registration to Brivis within 28 days from the date of the product being installed. This promotion cannot be used in conjunction with any other offers. **DUX Endurance Continuous flow** < Replacing an external natural gas hot water system, within 100km of Adelaide's GPO. Price current 01/12/2011 and subject to change without notice. Price is for a standard installation – additional fees may apply for non-standard installations. Customers will be advised of any additional charges prior to installation. Full terms and conditions of sale and installation can be provided at the time of your enquiry. **Save \$250 on Solar Hot Water Systems** » Offer applies to Solar Hot Water systems purchased between 16/01/12 and 29/02/12. Savings off Origin's current retail price in Adelaide. **DUX Sunpro MP15** # Government rebates comprise: STCs of 35 x \$30 = \$1050. Rebates are applied as a point of sale discount and are applicable for purchases made within 0-100kms of Adelaide GPO, when replacing a natural gas hot water system. Rebate subject to eligibility requirements and may change without notice. Full terms and conditions of sale and installation can be provided at the time of your enquiry. **Breakdown hot water service guarantee** †Guarantee is for installations within 100kms of Adelaide's GPO or installer location. Based on standard installations with no variations in a like for like scenario excluding products that require a fuel change and/or relocation. Not valid for purchases made on Friday (except for DUX and Aquamax purchases up to 12pm), Saturday or Sunday and/or public holidays. If your installation is not completed within 24 hours of sale please send an email through to hotwater@originenergy.com.au clearly stating your EHW reference number found on your invoice, Name, Address and installation time. Upon validation Origin will then send out a \$100 Coles Group & Myer gift voucher within 4 weeks of installation. Offer may be withdrawn at any time without notice.
