Origin shop

On sale from 6th September to 17th October **Call 13 14 27**

Open 7 days Monday – Friday 9am to 5:30pm, Saturday 9am to 5pm, Sunday 10am to 4pm

Terms and conditions: All savings are off Origin Shop retail price unless otherwise stated. On sale 06/09/2010 to 17/10/2010. Product pricing offers only available on product in stock from the Nunawading Origin Shop, and includes ex display and floor stock. All stock available until sold out. All prices include GST. Installation and delivery charges may be applicable. Gasmart (Vic) Pty Ltd ABN 52 079 089 231. Origin Energy Retail Ltd ABN 22 078 868 425. **Solar panel systems** *Origin1500 system includes a minimum 1.5kW inverter which is AS4777 accredited and a minimum 1500 watts of solar panels which are AS4777 accredited and compliant with IEC/EN61730 and IEC/EN61215 or IEC/EN61646. *Offer only available to you if the solar system purchased is eligible for the solar credits scheme and you agree to assign the rights to the RECs to us. Price for a pitched roof, within 100km of Melbourne GPO or an installer location and in REC Zone 4. Additional meter changeover/installation fees as charged by your distribution company may apply. Price is for a standard installation – additional fees may apply for non-standard installations. Price current 1/09/2010 and subject to change without notice. For installation timeframes and for full terms and conditions of sale and installation ask us when you call. **Payment plan** ^Payment plan requires an initial payment of 10% of the total cost plus the remaining 90% of the total cost paid over 24 months via equal monthly instalments on your credit card. After your up-front payment your first monthly payment will be a minimum 3 months from your date of purchase. Origin does not charge interest on this payment plan. As monthly payments are via credit card you may incur interest from your credit card provider. Full terms and conditions of sale and installation available on request. **Ducted evaporative cooling** **Single storey house within 100km of Melbourne GPO. Price is subject to site inspection and can vary for non-standard installations. Price current 1/09/2010 and subject to change without notice. Full terms and conditions of sale and installation can be provided at the time of your enquiry. **Sharp Inverter Split System** ^Single storey house within 100kms of your capital city's GPO. Installation price is subject to site inspection and can vary for non-standard installations. Full terms and conditions of sale and installation available on request. Price current at 1/9/2010 and subject to change without notice. **Solar hot water** ^Pitched roof, replacing an external natural gas or LPG hot water system, within a metropolitan area as determined by Sustainability Victoria (SV), eligible for the SV metropolitan rebate. Rebate subject to eligibility requirements. *You agree to assign the rights to the RECs/VEECs to us. Price current at 1/09/2010 and subject to change without notice. As per our standard installation conditions customers will be advised of any additional charges prior to installation. Any additional charges are paid directly to Origin's installers. Full terms and conditions of sale and installation available on request. **Multi-buy discount** ^Offer limited to solar electricity, solar hot water and heating & cooling products. Offer excludes breakdown replacement hot water products. Not available with any other offer. Customer must purchase both products at the same time to receive 10% off both products.
