

Gift Certificate

Australia's number one green energy provider.

Together we can make a difference.™

**Congratulations Mary Smith, you have received
a special gift from John Smith**

On your behalf, they have offset

13.9

TONNES of greenhouse gas emissions from your air travel, car travel, electricity and gas.

That's the equivalent to removing 3.3 large cars off the road for a year.*

Thank you for making a difference.

Winner of **ethicalinvestor**
2007 Sustainable Company of the Year

*Based on the total amount of tonnes calculated for a large car with an engine size greater than 3.0 litres and fuelled by petrol; travelling an average mileage of 13,900km.
