Offer details

Contract term	Ongoing contract with 12 or 24 months benefit period.
Contract expiry details	Ongoing contract which continues until you or we end it. The benefit period is 12 or 24 months. At the end of this term we may extend your current Energy Plan or set you up with a new Energy Plan – but only if we've written to you first and you haven't told us not to. If you don't hear from us, your energy supply will continue under our Agreement without Energy Plan benefits.

Other important information**Key terminology**

Daily supply charge	A charge that applies for supplying electricity to your premises for each day of the billing period, regardless of how much electricity you use.
kWh	A 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage charges.

Discounts

Discounts	Discounts apply to the GST exclusive usage charges only (off our published Origin Supply usage charges, which can be found on our website), and are only available to customers signing up to this offer from the above effective date.
Guaranteed Discount	A 20% discount on the GST exclusive usage charges listed above will apply for the benefit period.
Credit	Get a \$100 (incl. GST) credit* when you switch your business' electricity to Origin before 30 September 2017. *The credit will be applied towards the charges on your bill after 3 months of supply. Offer excludes business customers with 20 or more sites.

Price changes

Charges may vary	We may vary the Charges (including the amount, nature and structure of any of the charges) by notice to you at any time. The notice could take the form of a message on your bill and will specify the effective date of the variation.
