

APPLICATION TO INSTALL AN ELECTRICITY METER

Use this form to request an electricity meter installation and National Meter Identifier (NMI) allocation for a property in South Australia.

If you've signed a Multiple Site Agreement (MSA) with us and you're setting up this account in your company name, complete all sections of this form. And if you haven't signed an MSA, complete this form and the **Request for a new energy account form** available at originenergy.com.au/buildingindustry

Email your completed form(s) to newconnections@originenergy.com.au – just remember to scan both sides.

Supply type	<input type="radio"/> Overhead		<input type="radio"/> Underground		<input type="radio"/> Over / Under	
Phase	<input type="radio"/> 1		<input type="radio"/> 2		<input type="radio"/> 3	
					Amps per phase	<input type="text"/>
Tariff type	<input type="radio"/> Time of Use		<input type="radio"/> Flat Rate		<input type="radio"/> Two Rate	
Nominate all off-peak installations at the site	<input type="checkbox"/>		Hot water	<input type="checkbox"/>		Floor heating
Other	<input type="text"/>					
Is solar installed at the site?	<input type="radio"/> Yes		<input type="radio"/> No		Size of solar system	<input type="text"/> kW

3. FEES AND PROPERTY ACCESS

New connection fees

Origin does not currently charge fees for a meter installation in South Australia. However if that has changed by the time we receive your completed form, we'll contact you to let you know the fees that apply. You can find out more details about the current fees originenergy.com.au/meterfees. SAPN will pass on distributor fees to you directly.

Access to the property

To get your new connection set up, you'll need to give us clear and safe access to the property. Just so you know, if we don't have this, we'll need to reschedule the work for another day and additional fees may apply.

4. PROCESS AND TIMINGS

To find out what you need to know about installing an electricity meter at a property, head to originenergy.com.au/buildingindustry then click the **Electrician** link. From there, click the **SA** tab to get the details.
