

Meter installation, alteration and abolishment fees

Effective July 2022

[Australian Capital Territory](#)

[New South Wales](#)

[Queensland](#)

[South Australia](#)

[Victoria](#)

All fees include GST

Australian Capital Territory fees

Electricity

Distributor fees for meter works

Distributors may charge fees to install, change or remove an electricity meter and/or the supply and they'll pass on any fees to the customer directly or to us. If they charge us, we'll pass on the fees to the customer on their bill as a 'meter/device fee'.

Distributor	Service description	Fee (incl GST)
Evo Energy	New connection	\$141.22

Metering charges

Meter Service Providers may charge additional fees where the customer requests an installation, change or removal of an electricity meter and they'll pass on any fees for their services directly to us. If they charge us, we'll pass on the fees to the customer on their bill as a 'metering charge'. Services vary based on request.

A breakdown of services is listed below; for more detail on fee types and amounts, see [Appendix A](#).

Service category	Fee (incl GST)
Additional works	Up to \$150 per visit
Wasted site visits	
Post meter install services	Fees vary depending on Meter Service Provider, state, region and work required
Termination charges	

Meter works administration fee

This fee may be charged where the customer requests a change, removal or installation of an electricity meter. It is to arrange metering-related goods or services for the customer with a Meter Service Provider or Distributor. Visit originenergy.com.au/additionalcharges for the current fee amount. Fee doesn't apply to customers on an Origin Standing contract.

Gas

Distributor fees for meter works

Service description	Fee (incl GST)
New gas connection (standard residential — Distributor will confirm if connection is standard)	No charge
New gas connection (non-standard)	Charges are quoted by Distributor subject to a site inspection.

New South Wales fees

Electricity

Distributor fees for meter works

Distributors may charge fees to install, change or remove an electricity meter and/or the supply and they'll pass on any fees to the customer directly or to us. If they charge us, we'll pass on the fees to the customer on their bill 'meter/device fee'.

Distributor	Service description	Fee (incl GST)
Endeavour	New connection (NMI allocation)	\$50.49
